

Circle of Friends Preschool - 2022-2023

Prior Lake-Savage Area Schools

We are committed to preparing your child for success in school and life skills! Starting preschool is an exciting milestone in your child's life. Our licensed teachers set up classrooms to help children discover a love for learning while working on social emotional skills that will help get them ready for lifelong learning. Our classes are for children who turn three or four years old by September 1st. We use a whole-child approach that is focused on the individual needs and interests of our students through play-based learning. Our school readiness standards are based on the Minnesota Early Childhood Indicators of Progress and staff follow a district approved Curriculum to guide their lessons. Our classes incorporate our district's E-STEM philosophy. Our program has a 4-star Parent Aware rating.
