Any added premium cost for optional coverage shall be borne by the employee and paid by payroll deduction.

Section 7. Dental Insurance: The school district shall contribute the amount of seventeen dollars and forty five cents (\$17.45) per month beginning 2022-23 contract year and thirty four dollars and ninety cents (\$34.90) per month beginning the 2023-24 contract year for individual coverage for each eligible employee employed by the school district who qualifies for and is enrolled in the school district group dental insurance plan. Any additional costs of the premium shall be borne by the employee and paid by payroll deduction.

Section 8. Continuation of Eligibility: Eligible employees who sever employment shall be eligible to continue in the school district group medical and dental insurance program in accordance with federal and state law.

ARTICLE XI 403(B) TAX DEFERRED PLAN

Section 1. Eligibility: Employees who are regularly employed with the School District shall be eligible to participate in a 403(b) contribution plan pursuant to M. S. 356.24 and district policy 404.

ARTICLE XII SENIORITY, REDUCTION, LAYOFF AND RECALL

Section 1. Seniority Recognition: The parties recognize the principle of seniority in the event of a reduction in the work force and for determination of benefits within the District.

Section 2. Classifications: For the purposes of this Agreement, the following job classifications and positions shall exist:

- Classroom Monitor
- Early Childhood Family Education Assistant
- Language Facilitator
- Media Support
- Lunchroom Supervisor
- Sign Language Interpreter
- Cued Language Transliterater
- Special Education Center-based Paraeducator, includes ECSE
- Special Education Resource Paraeducator
- Special Needs Nurse
- Student Support Paraeducator

Section 3. Seniority Date:

Subd. 1. District Seniority: Upon the satisfactory completion of the probationary period, an employee's seniority shall revert back to their first day of continuous permanent service in the

bargaining unit. If more than one (1) employee begins work on the same day, seniority ranking for such employee shall be determined by the employee's ID number.

Subd. 2. Position Seniority: Position Seniority shall accrue only while actively working in a specific position. If more than one (1) employee begins work in the same position on the same day, seniority ranking for such employee shall be determined in the same manner as outlined in District Seniority. Any employee transferred or re-employed in another classification or position retains but does not accumulate their seniority in their original position and, in addition, commences seniority in their new position.

Section 4. Lay-off/Reduction Notice: At least ten (10) business days written notice shall be given to any employee who is being laid off or have their hours reduced by the School District. Said notice shall include the effective date of layoff or reduction and the reason for layoff or reduction.

Section 5. Lay Off: A member of the Association who is placed on layoff during the school year shall be able to exercise their rights under this Article at a time mutually agreeable to the district and the union and which does not impact the educational programming of students. The selection of employees for lay off shall be made in reverse order of seniority within position as listed in Article XII, Section 2. An employee so affected who is more senior than one or more other employees within that position shall be assigned to that position that is held by the least senior employee with an equal, or closest to equal, number of hours, or shall be transferred into another position if the following criteria are met:

Subd. 1. The employee has seniority in that position over any employee within that position who would be displaced by the transfer.

Subd. 2. The employee has the ability to perform the duties assigned and meets the requirements of the position.

Subd. 3. Seniority is not a determining factor for lay-offs if an employee is currently on an improvement plan.

Section 6. Reductions in Hours: The district has the right to reduce hours of positions because of program changes and/or financial limitations. If the number of hours an employee is assigned to work is reduced by five or more hours per week, he or she may accept the reduction in hours, or shall be assigned to the same position that is held by the least senior employee whose assignment is closest to, but not greater than, the assignment originally held by the employee whose hours are being reduced. The employee displaced by this reassignment may accept the assignment of the person whose hours are being reduced or may request reassignment based on a reduction in hours. The reassignment should occur at a time mutually acceptable to the union and the district and does not affect the educational programming for students. Any employee so affected may, at his or her discretion, be placed on layoff in lieu of accepting an assignment to a position with fewer hours.

If all employees in a position are reduced by a similar amount of time due to reductions for the following school year, the district will attempt to maintain benefit status by seniority, for as many employees as feasible.

Employees that choose layoff go to the bottom of the layoff recall list based on the day the district is notified.

Section 7. Recall: An employee on lay off or reduction of hours shall retain seniority and right to recall to a position that is equal in hours to the position the employee previously had seniority rights to or held immediately prior to lay off. An employee on lay off or reduction of hours who accepts recall to a position for fewer hours than the position the employee previously has seniority rights to or held immediately prior to lay off or reduction of hours shall retain his or her right to recall to a position that is equal in hours to the position he or she previously had seniority right to or held immediately prior to lay off, or had hours reduced. Employees on lay off or reduction of hours shall be recalled in seniority order within the position. No new employees will be hired while employees who are qualified to perform the duties of the job, and are willing to accept the positions open, are on lay off or reduction of hours. An employee on lay off or reduction of hours shall be eligible for recall for a period of twenty-four (24) consecutive months following the date of lay off or not in excess of the member's accumulated seniority within the District. An employee on layoff or reduction of hours shall provide a current address in writing to the District to retain recall rights.

Section 8. Termination of Seniority: Seniority rights shall terminate upon resignation or termination of an employee pursuant to the Agreement or after twenty-four (24) consecutive months of lay off. An employee on the recall list who refuses a position of like hours to their last assignment shall be removed from the recall list and lose their seniority rights.

Section 9. Seniority List: Every fiscal year a current seniority list shall be posted in all building locations by December 1, with a copy to the steward(s). Employees shall have fourteen (14) calendar days after the seniority list is posted to notify the District office of any adjustments needed.

Section 10. New Positions and Classifications: New classifications created by the employer will be evaluated for banding and grading as required by statute and assigned to a bargaining unit as determined by the District. The District must notify the bargaining unit representative once the determination has been made. The notification will include the particulars of the new position or classification.

ARTICLE XIII VACANCIES, POSTINGS AND TRANSFERS

Section 1. Postings

Subd. 1. Permanent Vacancies: Notice of all permanent vacancies shall be posted on the District employment website. The postings shall be posted on the District website at least five (5) business days in advance of filling such vacancies. For purposes of this Article, a permanent vacancy shall be defined as any vacancy anticipated to last for a period of more than sixty-seven (67) consecutive days or more in any calendar year. The school district may temporarily fill a posted position by assignment or temporary hire to meet the district's immediate needs.

Subd. 2. Existing Positions: An existing position that is not eligible for inclusion in the unit shall be posted if the hours allocated to it are increased to the point that the position is eligible for inclusion in the unit.

Section 2. Application for Vacancies: All employees under this Agreement may apply by submitting an application as an internal candidate for any vacancy, which is posted, pursuant to this Article.

Section 3. Filling Vacancies: The District and the Exclusive Representative agree that the selection of personnel is an inherent managerial right. The District, however, understands that employees who have obtained seniority within a classification believe that seniority should be considered when selecting personnel to fill vacancies covered by this agreement provided the employee has the qualification(s) to perform the duties and responsibilities of the positions and has satisfactory performance.

Subd. 1. The District shall have the exclusive right to determine if applicants for the vacancy are qualified under Art XII, Sec 3.

Section 4. Notice of Change in Assignment and/or Hours: If the District changes an employee's assignment or number of hours, the employee shall receive a notice of such change from the District.

Subd. 1. Effects on Benefits: Once a change in hours has occurred and notice has been issued by the District, all benefits shall be based on the new number of hours starting on the effective date.

Section 5. Transfers:

Subd. 1. Voluntary Transfers: Any employee who wishes to transfer from one building to another, or who wishes to be given an assignment that provides for more hours, must submit the request for transfer to the Director of Human Resources, no later than the end of the school year. Such requests may be taken into consideration when making assignments for the next school year, but under no circumstances shall the District be required to grant any such request. Requests submitted at the end of one school year shall be considered only for assignments made for the next school year.

Subd. 2. Involuntary Transfers: Nothing in this Agreement shall prohibit the District from transferring an employee from one building to another, or from one classification to another. Such transfers shall not result in a reduction in an employee's hourly rate of pay except in cases of disciplinary action or reduction of positions.

Subd. 3. Transfer Notice: For any transfers, whether voluntary or involuntary, the District shall give the employee a notice prior to the transfer going into effect.

ARTICLE XIV PROBATIONARY PERIOD, AND DISCIPLINE, DISCHARGE

Section 1. Probationary Period: An employee under the provisions of the Agreement shall serve a probationary period of one (1) year of continuous service during which time the school shall have the unqualified right to discharge such employee. During this probationary period, the employee shall have no recourse to the grievance procedure insofar as discharge is concerned. However, a probationary employee shall have the right to bring a grievance on any other provisions of the contract alleged to have

been violated. A new employee shall not be considered a permanent employee until the employee has served a one (1) year probationary period. Subsequent to that period, the employee shall attain permanent status and be discharged only for just cause. A summer break or an approved leave of absence is not a break in service.

Section 2. Probationary Period – Transfers/Promotions: An employee who is voluntarily transferred from one position within a wage classification to another position within wage classification, or; whom is promoted to a higher graded classification shall serve a ninety (90) day probationary period. If it is determined by the school district that the employee’s performance in the new position is unsatisfactory, the school district shall have the right to re-assign the employee to their former position.

Section 3. Progressive Discipline: Disciplinary action shall normally include the following measures and shall normally be administered progressively in the following order: Disciplinary action may be taken against an employee for just cause. Any disciplinary action shall comply with district policy, law and regulation. The school district or designee shall have the right to discipline/discharge an employee for just cause. Disciplinary actions by the school district or their designee may include, but are not limited to, the following actions:

Subd. 1. Verbal Warning

Subd. 2. Written Reprimand

Subd. 3. Suspension

Subd. 4. Discharge

The District reserves the right to use the appropriate level of discipline based on the seriousness of the offense and other relevant factors.

Section 4. Meetings to Discuss Discipline Measures: If a supervisor meets with an employee to discuss issues that are determined to lead to potential disciplinary action, the employee has the right to have a union representative present.

Section 5. Discharge Due Process: No employee who has completed the probationary period, shall be discharged without having been afforded an opportunity to hear the reason(s) for the discharge and without an opportunity to explain the relevant facts and circumstances surrounding the events which preceded the discharge and/or any extenuating or mitigating circumstances which the employee believes is relevant to the discharge decision. Whenever possible and practical, such opportunities shall be provided in a conference with the District which shall be conducted after advance notice to the employee and their Union representative who shall be permitted to attend the conference.

Section 6. Disciplinary Action Records: A written record of all disciplinary actions within the meaning of this article shall be provided to the involved employee(s) and will be entered into the employee’s personnel record. Investigations into conduct, which do not result in disciplinary action, however, shall not be entered into the employee’s personnel record. The disciplined employee shall be entitled to submit a written response to be included in the employee’s personnel record.

ARTICLE XV GRIEVANCE PROCEDURE

Section 1. Grievance Definition: A grievance shall mean an allegation by an employee and the exclusive representative resulting in a dispute or disagreement between the employee and the exclusive representative and the School District as to the interpretation or application of terms and conditions of employment insofar as such matters are contained in this contract.

Section 2. Representative: The administrator or School District may be represented during any step of this procedure by any person or agent designated by such party to act in their behalf. The employee shall be represented by the Union or its designee to act in their behalf during all steps of the formal procedure. This provision does not usurp any of the powers provided the Union under the P.E.L.R.A.

Subd. 3. Computation of Time: In computing any period of time prescribed or allowed by procedures herein, the date of the act, event or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday, or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, a Sunday, or a legal holiday.

Subd. 4. Filing and Postmark: The filing or service of any notice or document herein shall be timely if it bears a postmark of the United States mail within the time period.

Employees designated by the exclusive representative shall be released from work without loss of pay as a result of their necessary participation in meetings or hearings held, whenever such release is consistent with the ability of the employer to conduct safe and reasonable operations. No more than three employees shall be entitled to compensation for participation in a single meeting or hearing with respect to any one grievance, unless the person is a party to the grievance.

Section 4. Time Limitation and Waiver: An effort shall be made to adjust an alleged grievance informally between the employee and the Board's designee. Grievances shall not be valid for consideration unless the grievance is submitted in writing to the Board's designee, setting forth the facts and the specific provision of the contract allegedly violated and the particular relief sought within 20 days after the alleged grievance occurred. Failure by the district representative to respond at Level I or II shall result in acquiescence to the last statement of the grievant. Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time period, hereafter provided, shall constitute a waiver of the grievance. The parties may by written mutual agreement waive participation in the grievance steps and may similarly agree to extend the time limits established in this Article.

Section 5. Informal Discussion: In the event that an individual or group of individuals believes that there is a basis for a grievance, he/she or they may first discuss the alleged grievance with their administrative

supervisor either privately or accompanied by a representative without having reduced the grievance to writing. This must be done within 20 days of the event giving rise to the potential grievance.

Section 6. Adjustment of Grievance: The School District and the employee shall attempt to adjust all grievances which may arise during the course of employment of any employee within the District in the following manner.

Subd. 1. Level I: If the grievance is not resolved through informal discussions, it shall be reduced to writing by the Union Representative and submitted to the Director of Human Resources. The written grievance shall be submitted within 20 days of the event giving rise to the potential grievance. The initial filing of a Level I Grievance must be confirmed in writing by the District by either email, fax, or letter. The Director of Human Resources shall give a written decision on the grievance including reasons therefore to the parties involved within ten (10) days after receipt and acknowledgement of the written grievance.

Subd. 2. Level II: In the event the grievance is not resolved in Level I, the decision rendered may be appealed to the superintendent of schools, provided such appeal is made in writing within five (5) days after receipt of the decision in Level I. If a grievance is properly appealed to the superintendent, the superintendent or their designee shall set a time to meet regarding the grievance within ten (10) days after receipt of the appeal. Within five (5) days after the meeting, the superintendent or their designee shall issue a decision in writing, including reasons therefore, to the parties involved.

Subd. 3. Level III: In the event the grievance is not resolved in Level II, the decision rendered may be appealed to the Board, provided such appeal is made in writing within five (5) days after receipt of the decision in Level II. If a grievance is properly appealed to the Board, the Board shall set a time to hear the grievance within twenty (20) days after receipt of the appeal. Within fifteen (15) days after the meeting, the Board shall issue its decision in writing, including reasons therefore, to the parties involved. At the option of the Board, a committee or representative(s) of the Board may be designated by the Board to hear the appeal at this level and report its findings and recommendations to the Board. The Board shall then render its decision in writing, including reasons therefore, to the parties involved.

Section 7. School Board Review: The Board reserves the right to review any decision issued under Level I or Level II of this procedure provided the Board or its representative notify the parties of its intention to review within ten (10) days after the decision has been rendered. In the event the Board reviews a grievance under this section, the Board reserves the right to reverse or modify such decision.

Section 8. Denial of Grievance: Failure by the Board to issue a decision at Level III within the time periods provided herein shall constitute a denial of the grievance and the employee may appeal it to the next level.

Section 9. Arbitration Procedure: In the event that the employee and the Board are unable to resolve any grievance, the grievance may be submitted to arbitration as defined herein:

Subd. 1. Notification: A notification to submit a grievance to arbitration must be in writing, signed by the aggrieved party, and such request must be filed in the office of the superintendent within fifteen (15) days following the decision in Level III of the grievance procedure.

Subd. 2. Prior Procedure Required: No grievance shall be considered by the arbitrator, which has not been first duly processed in accordance with the grievance procedure and appeal provisions.

Subd. 3. Selection of Arbitrator: Upon the proper submission of a grievance under the terms of this procedure, the parties shall, within ten days of the receipt of the list from the BMS, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached within the ten days, either party may request the BMS to appoint an arbitrator, pursuant to M.S. 179A.21, Subd. 2, providing such request is made within 20 days after request for arbitration. The request shall ask that the appointment be made within 30 days after the receipt of said request. The failure to request an arbitrator from the BMS within the time periods provided herein shall constitute a waiver of the grievance.

Subd. 6. Decision: The decision by the arbitrator shall be rendered within thirty (30) days after the close of the hearing. Decisions by the arbitrator in cases properly before him/her shall be final and binding upon the parties, subject, however, to the limitations of arbitration decisions as provided by in the P.E.L.R.A.

Subd. 7. Expenses: Each party shall bear its own expenses in connection with arbitration including expenses relating to the party's representatives, witnesses, and any other expenses, which the party incurs in connection with presenting its case in arbitration. A transcript or recording shall be made of the hearing at the request of either party, with the requesting party responsible for the cost of such transcript or recording. The parties shall share equally fees and expenses of the arbitrator, and any other expenses, which the parties mutually agree, are necessary for the conduct of arbitration.

Subd. 8. Jurisdiction: The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly presented before the arbitrator pursuant to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment as defined herein and contained in this written Agreement, nor shall an arbitrator have jurisdiction over any grievance which has not been submitted to arbitration in compliance with the terms of the grievance and arbitration procedure as outlined herein; nor shall the jurisdiction of the arbitrator extend to matters of inherent managerial policy, which shall include but are not limited to such areas of discretion or policy as the functions and programs of the employer, its overall budget, utilization of technology, the organizational structure, and selection and direction and number of

personnel. In considering any issue in dispute, in its order, the arbitrator shall give due consideration to the statutory rights and obligations of the public-school boards to efficiently manage and conduct its operation within the legal limitations surrounding the financing of such operations; along with the statutory rights of the employee.

This memorandum of understanding ("MOU") is entered into by and between Independent School District No. 719, Prior Lake ("District"), and Minnesota School Employees' Association ("MSEA").

WHEREAS, the District created a joint position combining Kids' Company Assistant (A) hours with classroom support (B) hours and noon supervisor (C) hours prior to and after the formation of MSEA;

WHEREAS, Kids' Company Assistants are not listed under the MSEA contract; and

WHEREAS, the District and MSEA agree that the classroom support and noon supervisor hours fall under the MSEA bargaining unit.

NOW THEREFORE, the parties resolve as follows:

1. Master Agreement. The portion of the assignment listed under classroom support (B) and/or noon supervisor (C) hours shall be considered members of the MSEA bargaining unit.

2. Terms and Conditions. The classroom support (B) and noon supervisor (C) hours will follow the current pay and benefits outlined under the Kids' Company Assistants (A) terms and conditions for the 2021-22 school year. The District and MSEA agree to address the placement of the classroom support (B) and noon supervisor (C) hours of the joint position during the 2024-26 MSEA Master Agreement negotiations.

3. No Precedent or Past Practice. Nothing in this MOU may be deemed to establish an interpretation of the Master Agreement, a precedent, or a practice or to alter any established interpretation, precedent, or practice arising out of or relating to the Master Agreement between the District and MSEA. Neither party may submit this MOU in any proceeding as evidence of a contract interpretation, a precedent, or a practice, other than in the normal process of negotiations.

4. Equal Drafting. In the event any person asserts or concludes that a provision of this MOU is ambiguous, this MOU must be construed to have been drafted equally by the parties.

5. Entire Agreement. This MOU constitutes the entire agreement between the parties relating to this matter. No party has relied on any statements or promises on this issue that are not set forth in this document. The MOU controls to the extent that it conflicts with the CBAs. No changes in this MOU are valid unless they are in writing and signed by all parties.
