II. GENERAL STATEMENT OF POLICY

The school district holds high expectations for student behavior, academic integrity and responsible use of existing and emerging technologies, such as cellular phones, digital picture/video cameras and/or phones and other personal electronic devices capable of capturing and/or transmitting data or images. Students who possess and/or use such devices at school or school sponsored events shall demonstrate the greatest respect for the educational environment and the rights and privacy of all individuals within the school community.

STANDARDS FOR RESPONSIBLE USE AT SCHOOL, ON BUSES OR AT SCHOOL ACTIVITIES

- A. The school board directs the superintendent and school district administration to establish rules and procedures regarding student possession and use of personal electronic devices in schools, on buses or at school activities. These rules and procedures should seek to minimize the impact of personal electronic devices on student behavior, mental health, and academic attainment. These rules and procedures may be designed for specific school buildings, grade levels, or similar criteria.

- D. Compliance with Other District Policies: Use of personal electronic devices must not violate any other district policies, including those regarding student privacy, copyright, cheating, plagiarism, civility, student code of conduct, electronic technologies acceptable use, or harassment.
