

INDEPENDENT SCHOOL DISTRICT 719
PRIOR LAKE – SAVAGE AREA PUBLIC SCHOOLS**534 SCHOOL MEALS POLICY****I. PURPOSE**

The purpose of this policy is to ensure that students receive healthy and nutritious meals through the school district's nutrition program and that school district employees, families, and students have a shared understanding of expectations regarding meal charges. The policy of the school district is to provide meals to students in a respectful manner and to maintain the dignity of students by prohibiting lunch shaming or otherwise ostracizing the student. The policy seeks to allow students to receive the nutrition they need to stay focused during the school day and minimize identification of students with insufficient funds to pay for a la carte items or second meals as well as to maintain the financial integrity of the school nutrition program.

II. GENERAL STATEMENT OF POLICYPAYMENT OF MEALS

- A. Students have a meal account. When the balance reaches zero, a student shall not be allowed to charge second meals or a la carte items until the meal account balance has sufficient funds to cover the purchase.
- B. Each school that participates in the free school meals program must:
 - 1. participate in the United States Department of Agriculture School Breakfast Program and the United States Department of Agriculture National School Lunch Program; and
 - 2. provide to all students at no cost up to two federally reimbursable meals per school day, with a maximum of one free breakfast and one free lunch.
- C. When a student has a negative account balance, the student will not be allowed to charge an ala carte item.
- D. If a parent or guardian chooses to send in one payment that is to be divided between sibling accounts, the parent or guardian must specify how the funds are to be distributed to the students' accounts. Funds may be transferred between sibling accounts with written permission or a phone call to the child nutrition office by the parent or guardian.

LOW OR NEGATIVE ACCOUNT BALANCES – NOTIFICATION

- A. The school district will make reasonable efforts to notify families when meal account balances fall below zero.

- B. Families will be notified of an outstanding negative balance once the negative balance reaches \$10.00. Families will be notified by email through the school meals program, if no payment is received for 30 days, the parent/guardian will be contacted via telephone and a letter on district letterhead sent in the USPS mail.
- C. Reminders for payment of outstanding student meal balances will not demean or stigmatize any student participating in the school lunch program, including, but not limited to, dumping meals, withdrawing a meal that has been served, announcing or listing students' names publicly, providing alternative meals not specifically related to dietary needs; providing non reimbursable meals; or affixing stickers, stamps, or pins.

UNPAID MEAL CHARGES

- A. The school district will make reasonable efforts to communicate with families to resolve the matter of unpaid charges. Where appropriate, families may be encouraged to apply for free or reduced-price meals for their children.
- B. The school district will make reasonable efforts to collect unpaid meal charges classified as delinquent debt. Unpaid meal charges are designated as delinquent debt when payment is overdue, the debt is considered collectable, and efforts are being made to collect it.
- C. The school district may not enlist the assistance of non-school district employees, such as volunteers, to engage in debt collection efforts.
- D. The school district will not impose any other restriction prohibited under MN Statutes, section 123B.37 due to unpaid student meal balances. The school district will not limit a student's participation in any school activities, graduation ceremonies, field trips, athletics, activity clubs, or other extracurricular activities or access to materials, technology, or other items provided to students due to an unpaid student meal balance.
